LEARN HOW TO BECOME AN UNDERGRAD RESEARCHER

This panel will offer undergraduate students unfamiliar with the research process key tips on where to get started, how to apply for funding, and insights into submitting a strong research proposal.

- **Dr. Gabriela Arredondo**, chair & associate professor of LALS
- **Dr. Catherine Ramirez**, associate professor of LALS
- **Karina Ruiz**, LALS grad student & undergrad research mentor
- **Mauricio Ramirez**, LALS grad student
- **Daisy Orellano & Alejandra Zeiger**, undergraduate winners of Joel Frankel Research Award and Blum Scholar Award
